

# What personal things did I learn about myself, which I did not know about before?

66 responses

i can speak english well  
i can communicate in eng  
talking with strangers like to travel  
photographing being organised  
few german words that chemistry can be fun  
chemie is fun  
im passionate about biolo  
confidence  
can navigate in the city  
i have to be more opened  
inner peace new english skills  
work well under pressure my communication skills  
set priorities people can surprise me  
patience problem solving  
ability to pipet my englis is not so bad  
how i respond to stress  
ethic can work in team  
flexibility  
trying  
providence  
english  
openness  
presentate  
group work  
i like meeting new people  
good at small talk  
i should be more opened  
delegate more  
my english knowledge  
i should speak more  
hard to be patient  
open  
responsibility  
communicating well  
connecting with strangers  
self-dependence  
trust people  
communication deal with hard situations  
to question myself  
i like spontaneous things  
acknowledge efforts  
working beyond limit  
being open for new ideas

## What did I find difficult during the Erasmus+ meeting?
